## RESTRICTIVE COVENANTS - COUNTRYSIDE SOUTH PHASE 4B

---

### PLAN # 042-5389

#### CONSTRUCTION

##### STANDARD:

Any residence shall be of new construction and shall be built to standards and designs approved by the developer. Additionally, the developer shall approve the plot plan prior to any construction.

##### ROOF SLOPES:

All roof slopes shall be a minimum rise of five (5) feet for each twelve (12) feet on run, including garages.

##### FIREPLACES:

Where a fireplace is installed, there shall be no exposed chimney pipe on the exterior of the residence, except above the roof line.

##### HOUSE SIZE:

Maximum site coverage shall conform to The City of Grande Prairie requirements. Minimum total floor areas shall be:

Bungalow	850 sq. ft. (on main level)
Bi-level	850 sq. ft. (on main level)
Split-Level	850 sq. ft. (main plus upper level)
2-Storey	1050 sq. ft. (total)

At the discretion of the Architectural Coordinator acting reasonably, the minimum square footage may be reduced by 50 sq. ft. if the entire building pocket frontage is utilized and massing is superior.

##### GARAGES:

Garages are optional on all lots. On lots 1 thru 20 of Block 15 garages may be front attached or rear detached with access from the front of the lot, or on the side depending on lot limitations. On lots 1 thru 13 of Block 16 garages must be detached and located at the rear of the lot with rear lane access.

Garage exteriors should relate to the house exterior by using similar design elements, finishes, detailing and colors. Roof pitch and type (gable, hip, Dutch etc.) should be similar to the house roof.

##### DRIVEWAY:

Concurrent with the construction of the dwelling, a concrete, cobblestone, interlocking brick or asphalt driveway beyond the gravel level shall be constructed. Driveways must be hard surfaced to the garage or minimum to the front of the house if there is no garage.

##### SIDEWALKS:

Concurrent with the construction of the dwelling, an entry sidewalk from either the front street or driveway shall be constructed of cobblestone, interlocking brick, poured or precast concrete, or asphalt.

**LANDSCAPING:** Within twelve (12) months of occupancy, all front yards shall be seeded or sodded to lawn grass, except for those portions used in other decorative landscaping techniques, such as flower beds, shrubs, and washed or tile rock. All lawns must be completed to the front street curb.

**ON CORNER LOTS**, the homeowner is required to sod / landscape to the side curb and maintain the area.

**LOT GRADING:** Lot owners shall conform to the building grade plans as designed by the project engineers. In all cases, should grading and drainage problems occur, lot owners shall act reasonably in the interest of being a good neighbor.

**FENCING:** Any fence erected on the lands shall be no more than six (6) feet in height and shall be of chainlink construction or alternately, of wooden construction following the general specifications set out in Appendix "B" hereto. No fence shall protrude or be constructed closer to the roadway than the front of the residence. Masonry posts to match existing house masonry are acceptable.

**MODULAR OR MOBILE HOMES:** No modular or mobile home shall be parked or moved onto the said lands.

**NON-OPERATIVE VEHICLES:** Non-operative motor vehicles, waste, garage or rubbish shall not be stored or placed on any lot nor shall anything be done which may be a nuisance or annoyance to neighboring properties.

**ACCESSORY BUILDINGS:** No accessory buildings, except garages, shall be located in the front yards. All accessory buildings should be finished in the same exterior materials and colors as the residence.

**PETS:** No birds or animals shall be kept on the said lands except dogs, cats and birds as household pets.

**SIGNS:** No signs or advertising material of any kind shall be placed or erected on a lot, except:

- (a) one sign on each lot of not more than five (5) sq. ft. advertising the property for sale or rent;

- (b) signs used by a building contractor during construction.
- (c) any personal name plate on each lot not more than two (2) sq. ft. denoting the owner's name and address only

**LOT MAINTENANCE:** Should any lot herein not be built upon, the owner shall thereafter until built on, keep the same in good repair and weed free;

**COMPLETION  
PERIOD:**

Any exterior construction on the residence, property improvements or any deck or fence construction in the yard, shall be completed within nine (9) months from the date of commencement. Upon completion, the property shall be cleaned up so as not to constitute a nuisance or annoyance to neighboring properties.

**TREES:**

One tree shall be planted at the front of each lot. Corner lots are required to have an additional 2 trees planted on the boulevard side of the lot. Tree selection is predetermined by the Developer and his tree contractor. The homeowner is required to maintain the tree.

**SOIL  
CONDITIONS:**

All lot owners shall be aware that the soil conditions in this area varies considerable from lot to lot. The owner shall satisfy himself either through personal investigation or through the assistance of a geotechnical consultant that the footing size, water intrusion and any other geotechnical concern that may arise due to the construction of homes or any other building, is properly investigated and dealt with prior to the purchase of the lot. The Developer of the land shall not be held legally responsible for any geotechnical problems that may arise because of variable soil conditions.

**BREACH OF  
COVENANTS:**

Should an owner of any lot breach any of the covenants herein, then any other owner, adjoining or otherwise of any of the lands in Schedule A, may proceed in law against the offending owners to enforce these covenants, provided however, that no obligations, action or claim lies against the Developer other than as a registered owner in the event of such breach. This covenant shall constitute an absolute defense to claim or action against the Developer.
